Dear Parents & Carers,

After the success of last year, SMFR are excited to announce we are bringing the festive cheer back with the help of 'My Child's Art.'

Over the past couple of weeks, children from all year groups have been busy designing Christmas cards which have been processed and now available for you to see and purchase on a wide range of personalised gifts and cards.

You will now be able to use the unique login that has been attached to this letter to view your child's design and order their personalised Christmas cards and full range of other exciting keepsakes and gifts all printed with your child's Christmas design! These range from Christmas cards, thank you cards to even tote bags and wrapping paper!

To order your personalised gifts and cards follow the steps on the reverse of this letter.

As a school we will receive commission from all the products sold through this company. Last year this was a lovely way to get into the festive spirit and I really hope that you can join us again in raising money for new Art and DT resources for the school! The money raised from last year's Christmas cards meant we were able to purchase a fantastic range of resources which helped to enhance your child's learning.

Thank you for your continued support,

Miss Wicks

Please note if your child was absent on the days that the cards were created in school the company was unable to process their work. All designs had to be received by a specific date.
