Harvest Service

It was lovely to see so many parents & grandparents in church. We always end up with some music issues, this time it was the Wi-Fi. But we powered through and the singing was lovely. Slough Food Bank & the families who received harvest parcels were very grateful to all who donated.

Breakfast Walk

The Breakfast Walk in early September raised £402 for the Brain Tumour Charity. Thank you to all who participated and donated.

Cost of Living Support

This is something that is affecting everyone right now and at SMFR we are always looking out for information or support on offer to help all families in our school community.

You should have received via email a useful guide called 'Fighting the Cost of Living' that Slough have put together – if not, this is available in the Support for Families section of our SMFR website, along with other useful links and support. The Government also have a useful 'Help for Households' section of their website - <https://helpforhouseholds.campaign.gov.uk/> where help and support with energy bills, household costs, childcare, income and transport costs is available for all families.

Parent Governor

We have a vacancy for one Governor that is directly elected by the parents. No formal qualifications are required; you just need common sense, time, enthusiasm and a commitment to working as part of a team to make a difference for all the children at our school. For more information, please see the letter sent to all parents on Monday 3rd October which can be viewed on our website: <https://www.stmarysfarnhamroyal.org/stream/newsletters/full/1/>

Mrs Eaglen

You will have all read by now the email announcing Mrs Eaglen leaving SMFR. Mrs Eaglen has been part of the school for 14 years & is now moving to be Headteacher at a school closer to where she lives in Oxfordshire. Mrs Eaglen's last day at SMFR will be Tuesday 20th December – the last day of the autumn term.
