Dear all,

It gives me tremendous joy to share the overwhelmingly positive feedback following our parent survey. We had a very high level of response from our parents who shared what they feel about our school. I have put a summary of the answers to the questions below. But first, I would like to share with you some of the amazing responses we received which show how wonderful the team at SMFR are.

Of course, there are elements we are always working on to improve and wanting to do better. The door is always open for a meeting or conversation with any parent or carer when it comes to your child. If you have any concerns and would like to raise, please do speak to a member of the Senior Leadership Team at the start or end of the day or contact the office to organise a meeting. The whole team are working towards making SMFR the best it can possibly be and with support from families we know that we can achieve this.

Comments from parents

The staff actually care about the children and families. They will do all they can to help in any situation. It is a warm and welcoming place to be.

All school staff is very professional, and head teacher and deputy headteacher is always present during school opening and closing time to ensure safety of children.

School teachers are very good at acknowledging children weakness related to learning and extra support is provided to ensure all children are meeting the required learning standard.

Good support for pupils across the curriculum. They identify where there may be issues with subjects and deal with it effectively

Encouraging children to be kind and helpful to others, to do their best and bounce back, and supportive of their interests and talents.

Great communication from teachers.

I love that the Headteacher is out at the end of the day and talks to parents about any concerns they have.

The school is a community with a supportive environment.

Small classes, knowing every child individually. Caring family atmosphere

Greeting students in the morning

Placing an emphasis on family and community.

Welcome friendly environment

Communication with parents is excellent

Focusing on learning, lots of activities

Keep the children happy.

This school is a very happy place where my child grew in confidence as well as her learning. Teachers and staff work continuously to provide the best outcome for the children.

*I'm so happy that I chose this school to my child.
Educating the children*

It makes you feel that you are a part of the family.

MR Farmer highly professional also he ensures equal opportunity for my child, any issues I respect way he dealt with any concerns.

The accessibility to the teachers at all times including the head teacher

*well-being of children within class with good relations with the class teacher
Great emotional support*

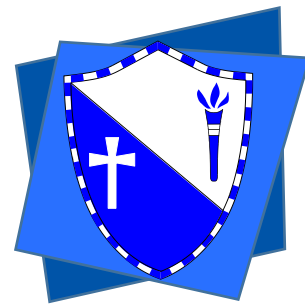

Reading ,times table and PE.

Teachers are amazing - so polite, my daughter has learnt so much and thankful she has a place here.

Everything. Friendly. Kind and well educated teachers.

Lovely family feel

All staff are so kind and supportive. If there's ever an issue I can just email and I get a response straight away.

My child feels confident to be herself and to ask questions as such she is learning so much.

The school strives to make learning fun.

They have a family feel and support the whole child not just academics.

"Knows the pupils well, has high expectations of the pupils, Ethos and values well established and demonstrated throughout school.

Good Christian yet inclusive values underpinning the school's day to day life.

Excellent standard of education provided with my own children making fantastic progress. Staff friendly, professional and approachable.

I am very happy with the school and definitely I will and I had recommended for other parents

Keep up good work

My child has been so enthusiastic about her learning this year. Every day she comes home and tells me another way in which her teacher has made her learning come alive! She's eager to go to school everyday.
