

St Mary's Farnham Royal Church of England Primary School

At SMFR we use the SCARF PSHE/SRE scheme to ensure we teach children the correct scientific language at the advised age.

Ofsted's report on Relationships Education,² which draws upon good practice, states that by the end of Key Stage 1 they expect pupils to know and understand:

- The basic rules for keeping themselves safe and healthy
- About safe places to play and safe people to be with
- That they have some control over their actions and bodies
- The names of the main external parts of the body including agreed names for sexual parts

EYFS	Private parts
