

# 1. SING ME A PICTURE – INTRO

## **SOLO 1**

When I look at a painting  
And take my time to see  
I step into another world  
And hear a million stories

## **SOLO 2**

When I look at a painting  
And let it speak to me  
I wake inside a special dream  
**(ALL)** And hear the music calling

## **CHORUS (ALL)**

Sing me a picture  
Sing me a scene  
Capturing the shapes and light  
Colouring the skies  
Sing me a picture  
Sing me a scene  
Travel in imagination  
Open up your eyes

Sing me a picture  
Sing me a scene  
Journeying around the world  
Places come alive  
Sing me a picture  
Sing me a scene  
Travel in imagination  
Open up  
Open up  
Open up your eyes
