

2. Japanese Bridge

VERSE 1

In the garden
The painter studies the light
For it's a perfect summer's day
Dragonflies drifting by

PRE-CHORUS

Japanese bridge over lily pad lake
Weeping willow and iris awake

CHORUS

Set me free
Giverny
Normandy
You have my heart
Set me free
Giverny
Normandy
You have my heart

VERSE 2

Flowers sending their
Perfume into the breeze
I'm feeling calm and happy
A place where I feel at ease

PRE-CHORUS

Over the bridge a path will wind
When I get there I'll run, jump and
fly

CHORUS

Set me free
Giverny
Normandy
You have my heart
Set me free
Giverny
Normandy
You have my heart

BRIDGE

Dipping toes in
Diving down for pearls
Skimming stones
Enjoying nature's world

Dipping toes in
Diving down for pearls
Skimming stones
Enjoying nature's world

VERSE 3

Trees are swaying
The shadows play in the sun
I'm going to paint the silence
A new idea has begun

PRE-CHORUS

Japanese bridge over lily pad lake
Weeping willow and iris awake

CHORUS

Set me free
Giverny
Normandy
You have my heart
Set me free
Giverny
Normandy
You have my heart
