

# 5. Tutti Frutti

## VERSE 1

Shimmering  
Silver disco ball is glimmering

Swaying  
Purple people we are playing

Sparkling  
lights are shining sky is darkening

Dancing  
Every drum beat is entrancing

## CHORUS

See the DJ  
Toasting on the mic  
Energetic  
In this hot crazy night

Everybody bubbling  
Everybody jumping

Tune selector  
Vibing on the plates  
Reverb, echo,  
DJ Replay!

Everybody mingling  
Everybody singing

## VERSE 2

Who is that?  
In the middle with a coat and hat?

Here today  
Coming from another Milky Way

Warm like sun,  
He's a lion, he's a magician

It's Jah Shaka  
Looking like a king from Africa

## CHORUS

See the DJ  
Toasting on the mic  
Energetic  
In this hot crazy night

Everybody bubbling  
Everybody jumping

Tune selector  
Vibing on the plates  
Reverb, echo,  
DJ Replay!

Everybody mingling  
Everybody singing
